It is time! It is time for OCP to become *real*. OCP is only 135 from becoming just that, *real*. Don't let any more time pass us by. By checking one of the boxes below, sending my pledge card with either a check or application(s) I understand my name will be entered into a drawing. There will be two drawings; one for new members who join and another for existing members who sign up a new member or send in a pledge with a check. You get to decide which prize you'd like. Details on the drawing are listed below.

- I am an existing member (joined prior to August) and sending a donation of \$\_\_\_\_\_ with this card to assist in getting OCP established. I understand that I must pledge at least \$15.00 to be eligible for the drawing. I also understand that for each additional increment of \$15.00 my name will be re-entered in the drawing.
- I am an existing member (joined prior to August) and sending \_\_\_\_\_ new application(s). I understand that for each application I send in I may include another card if I would like to be considered for a different drawing. If I don't include other pledge cards my name will be entered in the drawing selected below for as many applications as sent in. The number of applications sent with this will also go towards my total for the OCEMF contest.

If my name is drawn I would like the prize checked below. You may only check **one** box.

- Two 2009 OU football home game tickets with one night hotel accommodation. (The specific game will be decided later.)
- Two 2009 OSU football home game tickets with one night hotel accommodation. (The specific game will be decided later.)
- Two 2009 OKC Thunder home game tickets with one night hotel accommodation. (The specific game will be decided later)
- \$150 cash

Thanks to the Oklahoma Correctional Employee Memorial Foundation for being a part of the success of OCP. Since OCP and OCEMF are partners - the success of each other is contingent upon each other. The OCEMF is now offering an awesome opportunity to win some cash...

*The member who sends in the most applications in the month of August will receive \$250 if OCP does not reach 2,000.*

*The member who sends in the most applications in the month of August will receive **\$500** if OCP does surpass 2,000.*

**Additional Rules:** Pledge card(s) and applications must be received no later than August 31<sup>st</sup> to be eligible for the applicable drawing. You must have been a member prior to August 1, 2009 to be considered an existing member and therefore be eligible for the member drawing. By becoming a part of this contest I agree to remain a member of OCP/OCEMF at least through the end of December of 2009. Seating at the games will be contingent upon the best seating available at the time of purchase. OCP board members and their immediate families are not eligible for the drawings. In the event of a tie in the OCEMF contest the applicable prize will be equally divided by the number of winners. All applications received that are NOT new members will be voided and not included in either contest.

PLEASE RETURN PLEDGE CARDS TO OKLAHOMA CORRECTIONS PROFESSIONALS AT THE ADDRESS ABOVE.
